

Project Name	Video Surveillance of the Old Royal Capital of Montenegro - Cetinje
Start – End	June 2012 – December 2016
Project Value	119.236,39 EUR
Slovenian Funding	49.000 EUR
Recipient Country/ Donation Recipient	Montenegro / Local self - government of capitol Cetinje
CRS CODE	CRS CODE 22010
Project Description	<p>By setting up the video surveillance system in the city, the project enables the police and local government to get the real-time information on the developments in the city. This has improved the safety of the residents and historical buildings, at the same time it attracts potential visitors through the publication on the Web. Wireless internet connection in the city has been enabled as part of the project. The project does not have any harmful impact on the environment and not only improves the tourist offer of the city, but also create conditions for reducing the costs of security for the residents, institutions and companies.</p>
Project Phase	The project is concluded.
