

Project Name	Equipping of the Centre for Pre-School Education in Banja Luka
Start – End	October 2011 – December 2011
Project Value	495.374 EUR
Slovenian Funding	120.000 EUR
Recipient Country/ Donation Recipient	Bosnia and Herzegovina / City of Banja Luka
CRS CODE	CRS CODE 11240
Project Description	The donation of the Republic of Slovenia helped to equip two kindergartens with furniture and didactic materials. This has improved the quality of pre-school education; it increased the possibilities of enrolling new children in the pre-school institutions, ensured better conditions for the services of pre-school education and improved the conditions for work with pre-school children. A better climate for young parents was created and it enhanced the support for the positive procreation policy.
Project Phase	Project is concluded.
