

Project Name	5B Albania – Civil Society Platform and Environmental Protection (1st phase VLORA)
Start – End	January 2016 – Februar 2017
Project Value	138.595 EUR
Slovenian Funding	66.710 EUR
Recipient Country/ Donation Recipient	Albania / Youth center Vlore
CRS CODE	CRS CODE 41010
Project Description	A review of the environmental problems in South East Albania, which can be addressed through ecoremediation measures, with emphasis on the treatment of municipal waters, sustainable remediation of landfills and industrial landfills, protection of drinking water sources, was carried out. Two environmental protection measures were implemented: the sustainable remediation of erosion above the water resources and wetlands to protect water sources from contamination. The project will contribute to the establishment of a sustainable model for resolving environmental issues and encouraging cooperation among stakeholders.
Project Phase	The project is concluded.
