

Project Name	Management of the Žabljak Municipality Infrastructure
Start–End	January 2016–December 2018
Project Value	203.268 EUR
Slovenian Funding	82.000 EUR
Recipient Country/ Donation Recipient	Montenegro / Žabljak Municipality
Project Contractor	Luka Šefic s.p., Ljubljana
CRS CODE	CRS CODE 15110
Project Description	Slovenia co-financed several development projects in the mountainous area of Zabljak. The Municipality of Zabljak lacks sufficient knowledge to manage and maintain the acquired facilities, so it requested a grant from the Republic of Slovenia. The Municipality has established a company to manage public infrastructure. Slovenian experts that have a lot of experience in the area of public sport and tourism trained the local management to ensure sustainable development and economic exploitation of the acquired infrastructure.
Project Phase	The project is concluded.
