

Project Name	Purchase of Public Works Vehicle and Waste Bins
Start–End	January 2016–December 2017
Project Value	116.520 EUR
Slovenian Funding	48.250 EUR
Recipient Country/ Donation Recipient	Montenegro / Municipality of Žabljak
Project Contractor	Atrik d.o.o., Ljubljana
CRS CODE	CRS CODE 14050
Project Description	<p>Due to the growing number of residents and tourists in the municipality of Zabljak the problem of maintenance of sewerage networks and wastewater treatment plants was becoming increasingly urgent. Within the project was procured garbage containers, small utility vehicle with tank, pump and other minor components. Vehicle with upgrades is intended for pumping and transport of waste water and sludge from wastewater treatment plants and septic tanks, as well as cleaning and maintenance of the sewage system. With the realization of the project the sanitation in the city is improved. Regulated waste water management allows reduction of environmental pollution, especially water, thereby increasing the health security of the population.</p>
Project Phase	The project is concluded.
