

<b>Project Name</b>	Equipping of the Centre for Pre-School Education in Banja Luka
<b>Start–End</b>	October 2011–December 2011
<b>Project Value</b>	495.374 EUR
<b>Slovenian Funding</b>	120.000 EUR
<b>Recipient Country/ Donation Recipient</b>	Bosnia and Herzegovina / City of Banja Luka
<b>Project Contractor</b>	GONZAGA d.o.o. Solkan
<b>CRS CODE</b>	CRS CODE 11240
<b>Project Description</b>	The donation of the Republic of Slovenia helped to equip two kindergartens with furniture and didactic materials. This has improved the quality of pre-school education; it increased the possibilities of enrolling new children in the pre-school institutions, ensured better conditions for the services of pre-school education and improved the conditions for work with pre-school children. A better climate for young parents was created and it enhanced the support for the positive procreation policy.
<b>Project Phase</b>	Project is concluded.
