

Project Name	Supplying the Equipment for the Agency for Medicines and Medical Devices of Montenegro
Start–End	July 2012–December 2013
Project Value	176.144 EUR
Slovenian Funding	83.623 EUR
Recipient Country/ Donation Recipient	Montenegro / Agency for Medecines and Medical Devices of Montenegro
Project Contractor	Gonzaga d.o.o. Solkan
CRS CODE	CRS CODE 12110
Project Description	The Agency for Medicines and Medical Devices of Montenegro was established only recently. The Republic of Slovenia supported the purchase of equipment for the agency with a donation. Providing the agency with adequate laboratories will contribute to a greater health security of the population, which will improve the healthcare system. It will improve the control over medicinal products on the market and at the same time it will enhance the efficiency of detecting counterfeit medicinal products.
Project Phase	The project is concluded.
