

Project Name	Modular School Construction in Municipality Ilinden
Start–End	August 2011–December 2012
Project Value	1.622.654 EUR
Slovenian Funding	500.000 EUR
Recipient Country/ Donation Recipient	North Macedonia / Municipality of Ilinden
Project Contractor	TRIMO d.d. Trebnje
CRS CODE	CRS CODE 11120
Project Description	The donation of the Republic of Slovenia supported the construction of the modular school for 250 students. The project enabled the increase of the school capacities and improved the quality of teaching. The local community wanted to highlight the possibilities of new technologies that contribute to the protection of living environment and energy efficiency. The foundation stone for the school was placed on 23 rd of December 2011; the work on the project was finished at the end of February 2012.
Project Phase	Project is concluded.
