

<b>Project Name</b>	Supplementing of Contents in the Gorske oči Hotel in Žabljak
<b>Start–End</b>	November 2010–December 2014
<b>Project Value</b>	890.000 EUR
<b>Slovenian Funding</b>	445.000 EUR
<b>Recipient Country/ Donation Recipient</b>	Montenegro / Pension and Disability Insurance Fund PIO (Fund PIO)
<b>Project Contractor</b>	Unior d.d., Zreče
<b>CRS CODE</b>	CRS CODE 33210
<b>Project Description</b>	Project of supplementing the offer in Gorske oči Hotel was focused on the development of the least developed region of Montenegro – the northern part of Montenegro. Tourism represents the main pillar of Montenegrin economy and successful development of these activities will provide job creation and income for the population in underdeveloped areas. The project helped raise the tourist offer to the level of international standards to enable international marketing of the region.
<b>Project Phase</b>	The project is concluded.
